TECHNOLOGY SKILLS	R, GIS, MATLAB, Excel (VBA), FORTRAN, L ^A T _E X	
PROFESSIONAL EXPERIENCE	Marsoft Incorporated , Boston, Massachusetts USA <i>Summer Associate</i> Full Time, Summer 2020 <ul style="list-style-type: none">• Executed independent project to refine forecasting models for spot earnings, time charter rates, and vessel valuations by integrating analysis of macroeconomic market fundamentals within an adaptive, statistical learning, time series-regression modeling framework.• Delivered internal presentations to President and senior leaders of project results and forecasting quality review:<ul style="list-style-type: none">– Evaluated forecast performance against industry benchmarks.– Proposed areas of future modeling innovations with implementation details.– Utilized interactive (HTML based) visualizations of key results.• Created technical documentation and sophisticated training resources for internal analysts.	

Center for Government Research, Rochester, New York USA

Research Associate

Full Time, Summer 2017

- Provided socioeconomic/ fiscal impact analyses and visualizations for Chautauqua County's Municipal Consolidation and Efficiency Competition (MCEC) application through use of county tax, property values, and US Census data.
- Performed comparative analyses of municipal lead-paint policy implementation, enforcement, and outcomes.
- Facilitated technical support for InformANALYTICS, a cost-benefit analysis tool for industrial development agencies.

Camp-of-the-Woods, Speculator, New York USA

Operations Support

Full Time, Summer 2016

- Enhanced scheduling tools to achieve optimal resort staffing with multiple constraints; introduced sensitivity analysis tools and visualization of dynamic cross-department staff dependencies through use of VBA coding and data analytics.
- Innovated search usable employee database.
- Benchmarked with other companies to evaluate more robust scheduling tools.
- Developed proposal for scheduling software upgrade, adopted by leadership.

TEACHING
EXPERIENCE

Indiana University, Bloomington, Indiana USA

Associate Instructor (full teaching responsibility)

Principles of Microeconomics

Spring 2019, Summer 2019, Spring 2020, Fall 2020

Intermediate Microeconomics

Fall 2018, Summer 2019, Fall 2019

Teaching Assistant

Principles of Microeconomics

Fall 2017, Spring 2018, Summer 2020, Spring 2021

Intermediate Microeconomics

Summer 2020

CONFERENCES

Southern Economics Association Meetings, New Orleans Louisiana, November 2020

Ostrom Workshop Mini-Conference, Bloomington Indiana, December 2018
